Cross Collaborations ~ HRCS

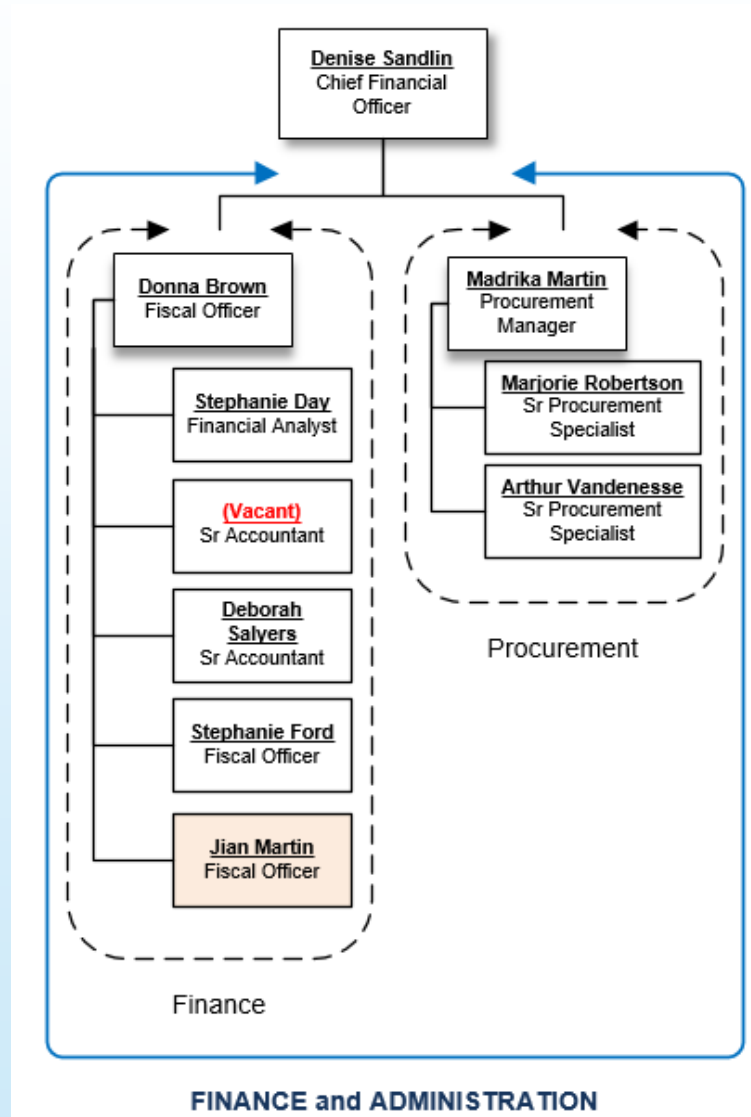

- The scope of HRCS programs and services is broad, representing the majority of core human resource programs that serve the HR community, our state employees, and prospective employees.
- For that reason, our actions impact all other DHRM Office Areas. Daily collaboration with internal colleagues is essential to providing seamless services to our customer base.
- Our primary external partners are agency human resource professionals, employees, and the Governor's Office.
- Because DHRM is a central government agency, we collaborate regularly with the Department of Accounts, the Virginia Information Technology Agency, the Department of General Services, the Department of Planning and Budget, the Virginia Retirement System, and Virginia Legislative staff.

Finance and Administration

- Finance and Administration is the agency's consultant for contracting, purchasing, accounting and budgeting.
- Finance and Administration's mission is to assist its internal customers at DHRM in procurement of contracts and purchasing that will allow each area to operate in its most effective and efficient manner.
- Finance and Administration's mission is also to ensure financial data of the agency is accurate and reported in a timely manner while adhering to budgeting and accounting guidelines set forth by the Department of Accounts (DOA) and the Department of Planning and Budget (DPB).

Who We Are ~ Finance and Administration

What We Do ~ Finance and Administration

- ▶ Purchasing and Contract Administration for DHRM. Ensuring that all purchases of goods and services align with the Commonwealth's procurement laws.
- ▶ Process all accounting transactions associated with the day to day operations of DHRM (Purchases, deposits, voucher payments, accounting transactions, travel, expense reimbursements, payroll, and Facilities Management including copiers, mail, work orders).
- ▶ Prepare all financial reporting required by Dept. of Accounts (DOA) and The Auditor of Public Accounts (APA). Ensure all financial statements contain accurate data to be presented in the Annual Comprehensive Financial Report (ACFR).
- ▶ Ensure that DHRM is operating within its budgeting constraints, serving as the liaison between DHRM and Dept. of Planning and Budget (DPB).

Who We Serve ~ Finance and Administration

- Finance and Administration's key customers include:
 - The Various departments within DHRM, providing purchasing, accounting and budgeting guidance to each area.
 - Other state agencies who depend on DHRM for the issuance of the GASB 75 Other Post Employment Benefits (OPEB) reporting.
 - The department has 2 external facing webpages that it maintains: the [Finance & Administration page](#) for Procurement transparency and the [Finance & Administration page](#) for GASB 75 reporting
 - Other customers include vendors that are paid for invoices submitted to DHRM for goods and services and Vendors with whom there are contracts with DHRM to provide services internally and to the employees of the Commonwealth (Health Care and Workers' Compensation).

- Ongoing budget development and monitoring the usage of funds.
- Educate DHRM team on the availability of financial management curriculum and process assets that exists on the Internal Business Drive and inform the DHRM team on financial matters of the agency.
- There are two folders on the Internal Business Drive that the department maintains: the Budget-to-Actual Reports folder and the Fiscal & Purchasing Forms folder. Over time, use of the contents in these folders may be superseded with DHRM staff's online realtime and adhoc use of tools such as Cardinal Financials and eVA.
- There are two things every employee should know: their employee number and department number.
- Continued development and assessment of agency-wide internal control procedures and processes, as well as, continuing to educate and bring awareness of Agency Risk Management and Internal Control Structure (ARMICS) requirements to the DHRM team.

- Finance and Administration strives to meet the needs of its internal and external customers by:
 - Ensure that all purchases meet the requirements of Commonwealth laws while providing its internal customers with the best products available at a reasonable price.
 - Ensure that all accounting transactions enter the system in a timely and accurate manner and any corrections needed will also be made in a timely and accurate manner.
 - Ensure that Agency spending remains within budget guidelines.
 - Ensure DHRM meets the Small Business Participation requirement of 42%.

Cross Collaborations ~ Finance and Administration

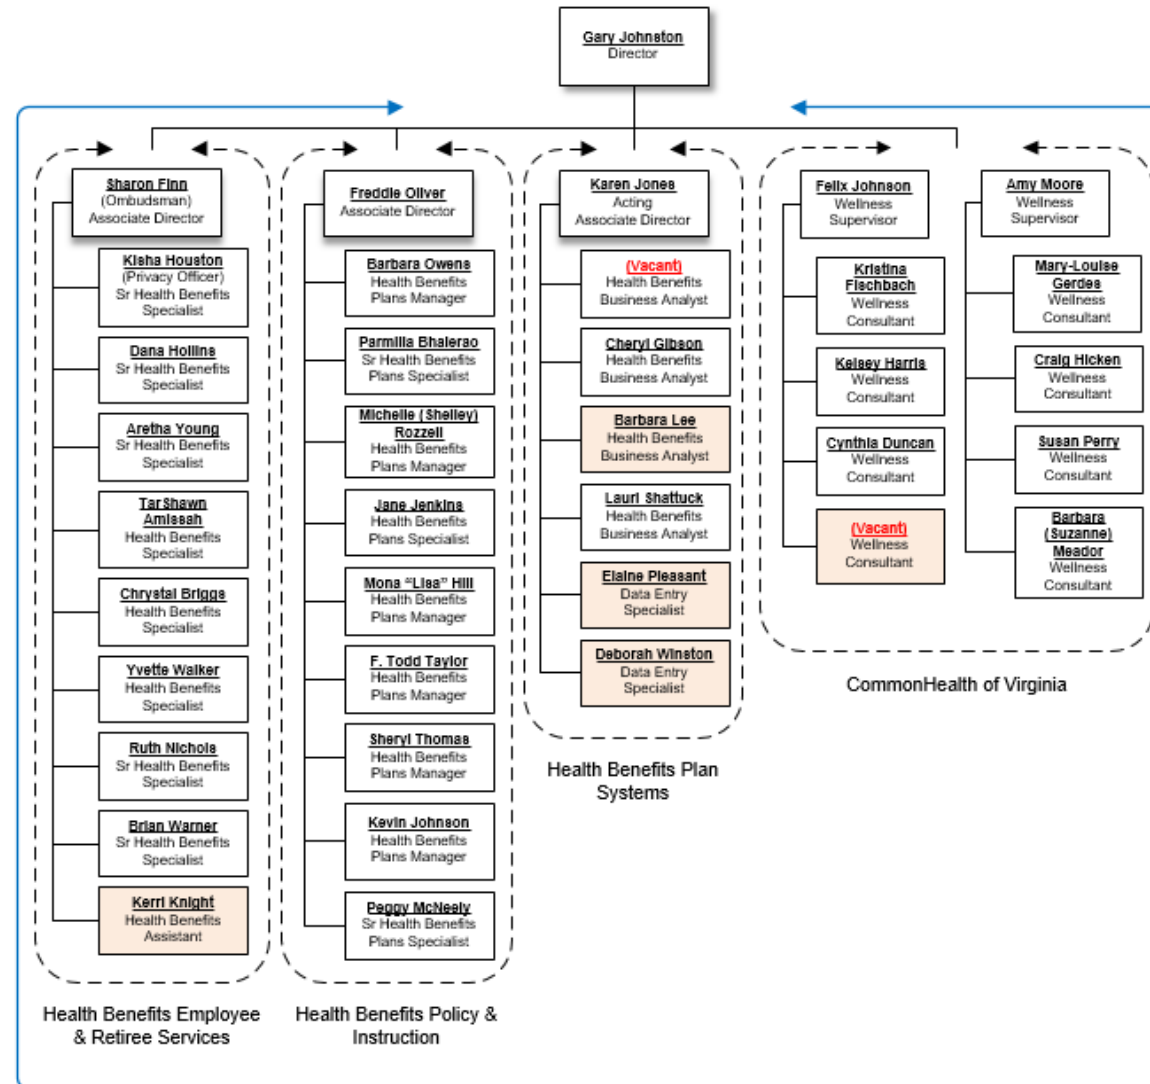

- Finance and Administration is essential to the other office areas of DHRM. In order to acquire the necessary goods and services to function as an organization, Finance and Administration ensures that the office areas' needs are being met. Finance and Administration also ensures that accounting transactions are disbursed accurately to the program areas of the office so that accounting can truly reflect agency spending which reflects true budgeting outcomes.
- Finance and Administration also works closely with Office of Health Benefits (OHB) ensuring that accounting transactions for the state employee health benefits plans are being accounted for.

Office of Health Benefits

- ▶ OHB's services are established by the Code of Virginia.
- ▶ OHB administers health benefits programs for most state agencies; some local governments and school divisions; and also for individuals eligible for benefits under the Line of Duty Act (LODA).
- ▶ OHB recognizes that employee benefits are important tools for attracting and retaining highly skilled employees, and strives to offer excellent benefits at reasonable costs.
